Deputy Commissioner,
Mysore District.

To

J.B. Mallaradhya, Esq., M.A.,
Secretary to Government of Mysore,
Revenue Department, Bangalore.

Sir,

Subject:- Appointment of a Chief Officer to the Krishnarajanagar Municipality.

***

Adverting to G.O.No.L.1391-5 Ml.107-46-2 dated 30-7-1946 conferring on the Krishnarajanagar Municipal Council, the previlege of electing a non-official president and in continuation of this office letter No.D3.C.647/46-47 dated 7-9-46 reporting on the result of elections to the non-official Presidentship held, I have the honour to forward herewith a report No.H.c.36 of 46-47 dated 16-9-46 received from the President, Krishnarajanagar Town Municipal Council, together with copies of the proceedings of the Council re:- the appointment of a Chief Officer for the Municipality consequent on the election of a non-official President to the Council.

The proceedings disclose that there was some opposition to the appointment of the Chief Officer. The majority, however have urged for the appointment and a strong case has been made out by the President for giving effect to the resolution, the chief among the reasons urged are:-

1. that many problems of public interest such as water supply, Drainage, extensions and improvements etc., have been awaiting urgent and steady attention of the Municipality in view of the growing needs and importance of the town;
2. that the town is torn by parties and factions, one party trying to put down the other and the feeling has become bitter after the elections,
3. that a strong co-ordinating officer is needed to push through the various problems facing the Municipality in co-ordination with other Departments such as Public works, Sanitary etc., in a spirit of mutual good-will.

The plea that the Municipality worked without a Chief Officer in the past does not stand, as the Amildar was the Ex-officio President of the Council before the principle of elected President,

was conceded. The very fact that the Government have conceded the privilege of electing a non-official President should serve as an additional reason for not opposing it in the interest of efficiency. The President fears that unless a Chief Officer is appointed, matter would reach a crisis. A strong man who could steer clear of local petty politics and prejudices and enforce rules and regulations without fear or favour is needed for the place. A young and an energetic man possessing both the executive and ministerial experience and is recommended by the Amildar - President.

As the income of the Municipality is less than Rs. 25,000/-(2nd class) a second grade Chief Officer may be posted. This would also minimise the cost. When the affairs are efficiently administered, the income is bound to increase in the shape of better collections etc.

I agree with the President and recommend, that a second grade Chief Officer may be posted to the Krishnarajanagar Municipality very early in the best interests of the Municipal Administration.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Mysore District

Subject :- By Mrs N Rama Courpinath. That the chief officer be appointed for the K R Nagar Municipality

Mr Ramaswamy Naidu formally moved the Subject and it was seconded by Mr H M Hanumiah Mr B.V. Aswathanarayana Setty opposed the proposition and while doing so said that the Council had formerly resolved against the proposal to have a chief officer and that several municipalities having non official presidents have no chief officers but were functioning quite satisfactorily Mr Gurunatha Bhanwar while supporting the view taken by Mr Aswathanarayana Setty said that the question may be considered if necessary after the term of present Council expires in the light of experience gained till then He stated that the existing staff is capable of functioning the work without a chief officer Mrs Bale Basavarajappa, Rao Sidduling Reddy Jinnaraja Urs B.S. Madappa. K. Narayanan Rao said that as non official president has been appointed to the Council it was desirable in the interest of efficient discharge of work that a chief officer should be appointed immediately

Messrs Srinivasa Rao opposed the proposition on the ground that the Council had previously opposed the appointment of a chief officer even on a previous occasion when the question of appointing a

non-official President came up for discussion. He said that the normal resources of the municipality does not admit the extra expenditure on account of the salary of the Chief Officer. The circumstances existing at present does not warrant such an appointment. He felt that there was absolutely no need to appoint a chief officer and to reconsider the question of such an appointment.

The proposition was then put to vote and was carried, the voting being as follows,

For the Proposition

1 Mr. Poole Basavarajappa
2 " Ramaswamiah
3 " Boy Siddalingo Setty

5 " R. Narayanarao
6 " C. Nanjunda Setty.
